

RESERVOIR PRIMARY SCHOOL

NEWSLETTER No. 3

10th March 2021

HOPE TO SEE YOU NEXT MONDAY 6.00pm

Architects DesignInc are working on plans for the refurbishment of our main building and the addition of a new building (or two). The additions will mean we have a STEAM centre (Science, Technology and Arts).

DesignInc will present at a forum here at school on Monday March 15th at 6.00pm.

Please come along on that evening if you care to contribute, and to find out more about the fantastic funding that our school gained.

Community feedback, ideas and suggestions are required to inform the architects of community needs and wishes. Because of our Covid safety plans, we have to be careful about social distancing; if possible, it would be preferable for young children to stay at home.

I hope you will take this opportunity to have your say and join the conversation – it's your school.

GYM.

And meanwhile, works continue on our Gym. The safety fencing around the work areas are moving constantly to keep the students well away from the action. Hopefully, we will soon be able to have our first assembly in the re-located multi-purpose room.

GOOD-BYE CANTEEN!

ATHLETICS CARNIVAL – YEAR 3 TO YEAR 6

What a big day it was for grade 3 - 6 students down at Edwardes Lake on Friday. With nonstop events and smiles on faces, students and staff had an amazing day and it was so welcoming to see families again. The results for this year are...

4th place goes to Whitby (Blue) on 107 points

3rd place goes to Barton (Green) on 122 points

2nd place goes to O'Conner (Gold) on 130 points

1st place goes to Duffy (Red) with a winning score of 147 points

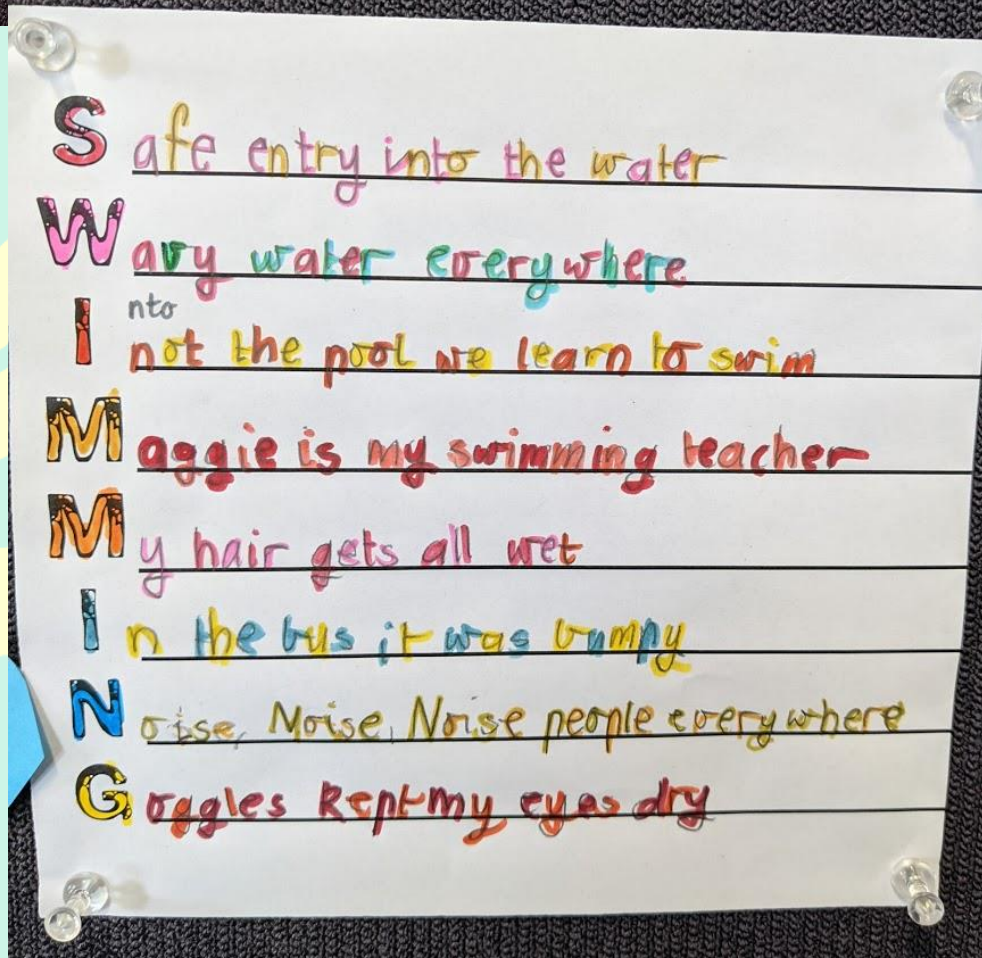

Well done to Duffy house on a fantastic win for our first School Athletics Carnival. Don't worry fellow Barton House team, 2022 will be our year.

James Cosgriff

We love swimming! Groups 7 and 8 (and 5 and 6) have been going to our swimming lessons. We have learnt lots of new skills about water safety, like how to swim in your clothes in case you accidentally fall in the water and also how to call for help if someone is drowning.

Soon it will be our last lessons which is sad, but at least we have new skills for life! Please enjoy some acrostic poems about our experiences at swimming.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef
