## **NEWSLETTER No. 5**

**28<sup>th</sup> April 2021**

### **Our Next Big Build**

As many of you are aware, the school received a grant of just over \$16million to upgrade our school facilities. Some of you attended a briefing and forum in March, and I'm now pleased to say the architects have returned with some great early plans as a result of the consultation.

A single storey building for OSHC, Community and Music is planned for the north end of the main block; this will connect with the gym, which is currently under construction.

Then a double story STEAM centre is planned for the south end of the main building. This will include brand new Science, Art and Technology spaces and the possible relocation of the library.

There will also be a major refurbishment of the main building; adding modern teaching spaces and some wonderful outdoor learning areas as well.

We are at an early design stage, but so far, it's looking **very exciting**.

## **Building Works**

Work continues on our Gym. On completion, we will have a wonderful space for indoor sports activities, a housing for our assemblies and a terrific space for out of school events. We are hoping it will be ready to use at the start of 2022, and in the meantime, work progresses every day. A huge amount of soil has been moved and removed; in-ground services are now being put into place.

**SO EXCITING, and INTERESTING to WATCH the PROGRESS!**

**Sue Taliana** has decided to retire. After more than twenty years at Reservoir, she has decided to explore and enjoy other options. During the years at Reservoir, Sue has taught just about every year level including some specialist areas. I know you will share in wishing her many years of relaxing and enjoying life after teaching. Anna Bell will be replacing Sue in Group 8 on Thursdays and Fridays.

## **INTERSCHOOL SPORTS REPORTS:**

**T-Ball:** Finally our first T-ball match. We played against Thomastown and we were so happy to be there after waiting on the side of the road, because our bus broke down. When we got there we were pumped and ready to play T-ball. Olivia, our captain, won the toss and we were batting first. "Batter up!", called Mrs Macheda and off went Maddy who ran to first base. Next up was me and I was ready to hit and run. Following me were Iceley, Lotte, Japleen, Mia, Afreen, Mannat and Olivia who smacked everyone on the bases a home run. We got 7 home runs in the first innings. We did a great job fielding. We caught around 8 players out in the whole game. Thomastown were great sports and the full time score was Thomastown 12 home runs and Reservoir 31. We had lots of fun and can't wait for our next game.

**Football:** It started after a casual Friday Recess before the bus came ready to pick us up for sport. We were playing Footy and the team was Hunter, Omar, James, Leo, Lucas, Nathan, Matteo, Roman, Lynn, Sachit, Austin, Aryan, Miller, Zach, Parios and Max.

It was all smooth sailing until the bus broke down. We were all shocked as we left the bus and waited for a while on the side of the road. We were waiting so long that some of us thought that our first game was going to be cancelled! Imagine that!

At last another bus came and then we got to pick up the Thomastown team and play some Footy. We put our

boots on, set up the goals and started playing. In the first quarter we got a goal, kicked by Leo and a nice passing play into a goal by Max. At one point in the First Quarter, Hunter got a mark but reacted too quickly and just kicked it, that lead to a behind.

We weren't the only ones to score; Thomastown also got one behind. The first quarter ended and we were winning 19-1. The second quarter was much different to the first one. A lot more action was happening and Thomastown scored a lot more. Both of us got two goals each. At one point in the game someone from Thomastown had to go off for bad sportsmanship, but we carried on and still had a fun second quarter.

In the third quarter we did really well. Lucas won quite a lot of ball ups this quarter.

We scored pretty nice kicks and got two goals and one behind. On the other hand, Thomastown had not scored. The score was now 44-13 to us.

The final quarter commenced as we swapped sides. This quarter was the most intense for two reasons. One is obviously because it's the last quarter and everyone was doing super well! Every few seconds there was a tackle from each team. Sometimes both teams took the kick and missed but other times they were in.

Max scored this sick goal at the end of the quarter. The game ended and we all grouped up in the middle of the field. The final scores were 51-15. We won our first game! We were all happy and we congratulated each other. Both sides had really good sportsmanship which was most important. After we left and packed up we went to the bus.

Something really funny was that we entered the wrong bus! We then left and found the right bus. We dropped off Thomastown, picked up the rest of Reservoir and went back to Reservoir Primary all hoping that the bus wouldn't break down.

The good thing was that we got back to school safe and sound.

**Soccer:** It was finally the day of our first soccer match, everyone was really excited. We got changed into our soccer gear, everyone got in the bus and off we went! Suddenly the bus broke down! Smoke was coming out of the back of the bus. We were all told to hop off the bus. We were afraid because we thought the game wasn't going to go ahead! It took around 30 minutes for the next bus to come. Once the next bus came we got on and went to pick up Thomastown.

Georgia and Fatima were captains. We started the first half; it was a rough start to the game, with Thomastown leading with 9-0. We gave Thomastown a run for their money in the second half. We worked positively together, we didn't give up, and we kept going.

We finished the game with 17-0, even though we lost we still gave it our best. And we are really looking forward to our game today, we are going to try harder and do our best.

**Netball A:** We were all so excited and pumped to play our very first game of netball. After half an hour of waiting on the side of the road because our bus broke down, finally a new bus came and we were off to Thomastown. When we finally got to Thomastown it was time to play. Julia, Xanthe, Lorena, Sahasra, Isha, Bontu and I were ready. The whistle blew and the game started. After running around for a few minutes we finally scored our first goal. After 4 long quarters, our first game was finally finished and the scores ended up as a tie 5-5. Thank you Mr Di Marco for coaching us and helping us for our very first netball game. We had a really fun time out there and we are so excited to play against Kingsbury today.

**Netball B:** Finally after so many training sessions we finally get to play a real game of netball. Sadly our bus broke down and we were stuck on the side of the road for half an hour. Half an hour seemed like 2 hours. We were so close to going back to school but luckily a new bus came and we were off to Thomastown Primary School. A team was first to play they tied 5-5. I was in the B team along with Jocelyn, Angelina, Malik, Anisha, Anvi and Johanna. Since we were late because of the bus, we only got half a game and our quarters were shorter than the A teams. The First quarter of the game was a bit boring because no one scored a goal. But the second quarter of the game was very tense. Thomastown scored and that was the end of the game. We lost by 1. Thomastown 1 Reservoir 0. Although we lost it was a fun game and we all made friends with the other team. Thank you to Mr Di Marco for coaching us. We can't wait for our next game against Kingsbury today.

# Year 7 2022 Concept Program

ACHIEVING, ENGAGING, CONNECTING

Thornbury High School offers the Concept program for high achieving students.

The Concept program runs from Year 7 to 9 and is designed to extend and challenge students, whilst engaging with the mainstream curriculum. Students develop their skills and knowledge by exploring content at a conceptual level, emphasising depth of understanding.

Applications for the Year 7 2022 Concept program are now open.

Families need to complete the application form and return it to Thornbury High School's general office by Friday 21 May. Testing will take place in the school library 8.45 - 11.00am Saturday 5 June.

Application forms and more information can be found on our website under the quick links tab or using the link below.
