

RESERVOIR PRIMARY SCHOOL

NEWSLETTER No.14 17th November 2021

It's great to be back!

Teachers are working extremely hard to catch up on their teaching program and also their assessments. After so long away from school, it is imperative that teachers have an accurate picture of where every child is at in all curriculum areas. Of course the aspects of English and Maths are a priority.

However we do need to be aware that Covid hasn't gone away!

We need to do everything we can to avoid any further lockdowns – be it large scale or school / class based.

Please help us to remain open and keep enjoying the “back to school routines”.

- If your child is unwell, keep them home and get them tested.
- If you are unwell, please do the same – if you test positive your children will have to stay in quarantine with you.
- Encourage your child to wear a mask (mandated for Years 3 – 6) and highly recommended for younger students – please provide masks for your child to wear.
- Encourage regular hand washing; we will do the same – and also have hand sanitiser readily available.
- Every classroom will have a supply of disinfectant wipes for surfaces, and commonly used equipment.

WORK CONTINUES ON OUR GYM

- Brickwork is almost finished
- Wiring for power has been put in place
- Insulation has been installed in the walls
