

RESERVOIR PRIMARY SCHOOL

NEWSLETTER No.15 1st December 2021

PREP TRANSITION

We have now had three sessions with our enthusiastic new Preps for 2022.

They have met their teacher and they know which Group they are in.

The excitement and enthusiasm about coming to school, learning, and having fun with friends is wonderfully obvious. A couple of them are already wearing their school uniforms!

CAN'T WAIT TO WELCOME THEM HERE FULL TIME!

CLASSES for 2022

Thank you to all those who provided valuable information regarding their child's placement next year. These classes will be announced on Monday 13th December. At this time, students will go to their new classrooms and meet their new teachers. Time will be allowed for them to settle and get to know who is in their class with them. We endeavour to make the placements of students so that every child has children in their rooms either existing or potential friends.

Hopefully we will have a full year at school next year for all students to establish great friendships and to continue their learning through daily contact in a positive environment.

If your child is disappointed if they are not with their "best friend" this provides an opportunity for them to make new friends, which is an important skill to be developed.

WATER BOTTLES

The weather has certainly warmed up and it amazes me to see the children running around in the heat. They obviously don't feel it the way many of us do. All that's terrific, but already we are having students come to the sick bay feeling "not well". So it's important to make sure they have their water bottle at school each day and drink plenty of water.

PARKING

We understand that parking around the school during 'drop off' and 'pick up' times is very busy however some of our neighbours have expressed some concerns as parents are parking across driveways (or in driveways) and they are unable to enter or leave their premises. So **PLEASE** remember to park legally and thoughtfully. Thank you 😊
