

PREP ENROLMENTS 2023

It is that time of the year!

*I am calling for **ALL PREP ENROLMENTS for 2023!***

If you have a child (or know of a child) who is due to start school next year, please get your application form into the office as soon as possible.

We are already beginning to plan classes and teachers for the new year. The sooner we receive their enrolments, the sooner we can plan a few special events in Term 3 and of course our Transition Program later in the year. If you already have a child at school, let us know and we can send home an enrolment pack with them if you wish.

ELECTION DAY SUCCESS

May 21st was a wonderful day – the sun shone, sausages sizzled, and cakes and other goodies were very popular. This was the first time in a couple of years that our community members have been able to get together and enjoy each other's company, and at the same time raise some funds for the school. Just over \$3000 was raised – and it was great fun working together! What a terrific day.

DON'T FORGET PUPIL FREE DAYS Monday 30th and Tuesday 31st MAY

EDUCATION WEEK

What a terrific evening at school on Tuesday – to recognise and celebrate Education week.

It was wonderful to see so many parents enjoying learning tasks with their children – playing games that really help children learn. The gym was a favourite place; I'm sure I saw a few parents shooting hoops and enjoying a kick of the soccer ball.

AUSLAN ROOM was also very popular too.

Our Auslan focus this term is Families. We have learned signs for family members including pets. Your child should be able to show lots of signs including grandma, grandpa, sister, brother, mother, father, baby, cousin, aunty, uncle and even fish and bird!

This week we have celebrated Education Week. Thank you to all who came on Tuesday night and celebrated with us. It was fantastic to see students so proud of their learning and wanting to share their enthusiasm with their families. Our amazing kids really are the future!

AWARDS

You Can Do It' Award

13th May Group 3 For showing hard work and persistence in learning our family signs in Auslan

20th May -Groups 1 & 2 For persisting with their skipping lessons and showing that great effort makes for great skipping.

INTER-SCHOOL SPORT

Winter sport commenced last week.

Each Friday this term, our four teams will be involved in playing against another school in our district.

There is a cost involved because of the bus travelling. We will only request payment for the "away" games.

Tee-Ball and Netball are played at the schools (either our home ground or the opposing team)

Football and Soccer are played at Donath Reserve (adjacent to railway track near Keon Park station).

We would love parents to come and enjoy these games if they can.

I have added the fixture so you know where your child will be playing on any Friday: Games generally begin just before 1.00pm depending on the bus travelling.

27th May Reservoir V Kingsbury (home)

3rd June Reservoir V Reservoir East (home)

10th June Reservoir V William Ruthven (away)

SPORTS REPORTS

These were reports written and presented to assembly last Friday from games played on 20th May against Our Lady of the Way

Netball

The netball team headed to the gym for our first game indoors. We were practising and waiting for Our Lady of the Way . When they arrived the first thing we saw was that they were tall! We said our greetings and introduced ourselves; Anvi, Rokea, Aminata, Aaliyah, Fatimah and I.

Our Lady of the Way started with the ball and they did great passing to each other. It was hard to get the ball because of how tall they were. We continued playing the game and by the 4th quarter they had 25 points and we had none. Although the scores had a big difference we never stopped trying. Soon enough Angelina had scored us 2 goals. We were so excited, even the opposition cheered. We started back in the middle, and we passed it down the court, I got the ball and I scored the third and final goal.

Soon enough the game ended. We did lose but we were happy we had a game that kept us trying and running. The final score was Our Lady of the Way 31 and Reservoir 3.

T-Ball

As we waited patiently for Our Lady of the ay, the tension was high. As they approached our school, we greeted them with nervous smiles.

Th Our Lady of the Way captain and I did rock, paper and scissors. We won and we chose to field.

As we went onto the oval, our fielding time went so quickly and we were able to get three people out but two people made it home.

We were all so nervous.,

Then we were batting. Jomore went to the tee and we were cheering her on. She hit the ball and made it to first base. We were all so happy. The game was going fast, but we had faith. Soon Maicie hit the ball really high – the other team nearly caught it. Luckily the pitcher on the team wasn't able to catch the ball.

Afreen and I got three people out. Afreen was the pitcher and I was on first base.

The game was done, we were so scared to hear the scores.

As we lined up, we had hope and even if we didn't win, we still did amazingly well.

Mrs Macheda said our school was 14 and they made 12.

We WON! It was an amazing game and can't wait to play Kingsbury next week.
