

PREP ENROLMENTS 2023

It is that time of the year!

*I am calling for **ALL PREP ENROLMENTS for 2023!***

If you have a child (or know of a child) who is due to start school next year, please get your application form into the office as soon as possible.

Prep teachers are planning some special visiting times next term for pre-school kids – so watch out for these. They will be advertised very soon.

We are already beginning to plan classes and teachers for the new year. The sooner we receive their enrolments, the sooner we can plan a few special events in Term 3 and of course our Transition Program later in the year. If you already have a child at school, let us know and we can send home an enrolment pack with them if you wish.

TERM TWO

Term two was the shortest one for 2022. However, so much has happened it has seemed much longer.

- *Camp for Years 3 and 4*
- *Camp for Years 5 and 6*
- *Excursion to the Shrine and Botanic gardens*
- *Cross country events; district, division and one student through to Regionals and now State; Congratulations to Lynn!*
- *Drama incursions for Years 3 and 4*
- *Prep newsletters published and distributed outlining their amazing fun in learning*
- *Reporting for Semester One*
- *Assemblies resuming with presentations and parents attending*
- *NAPLAN – come and gone*
- *Rebecca Moon leaving on Family Leave*
- *Inter-school sports for winter teams*
- *Education Week activities*

So many learning opportunities were enjoyed. I would like to recognise the hard work teachers have contributed to this extremely busy but very rewarding term.

We all deserve a break – two weeks when we can wind down and relax; catch our breath and enjoy our lives outside of school.

This applies to you and your families; make time to enjoy this time and maybe explore some new area of Melbourne (or beyond).

I look forward to seeing you all again on Monday 11th July ready.

When you return, we will welcome a new staff member; Caitlyn Hunter. She will teach Group, 2 now that Rebecca Moon has left to have her first child.

I know you wish Rebecca all the best, and also welcome Caitlyn to the Reservoir community.

So stay safe, enjoy the two weeks and I look forward to seeing those smiling faces returning next term.

INTER-SCHOOL SPORT

SPORTS REPORTS

These were reports written and presented to assembly by some of our senior students.

Netball

3rd June – vs Reservoir East by Sophia C

We were hoping we would win this game after 2 weeks of losing.

Our hearts were racing, and the whistle blew with Rokea, Georgia, Angelina, Fatimah, Anvi, Aminata and I playing in the A team.

We scored 8 in the first quarter by Angelina and Georgia.

There was a little bit of an accident - one of the girls on the other team hurt herself to the point where she couldn't play.

We had a streak going on.

Reservoir east had scored their first and final score, with the final scores being 12 to 1.

We had a really fun time playing with them and we can't wait to see William Ruthven today.

T-Ball

3rd June – vs Reservoir East by Maitryei A & Stella R

We were practising our hardest when we suddenly turned around and saw that Reservoir East had arrived.

Our captain Jomore greeted the other teams captain and they did rock papers.

We won and the game started, we were all happy because we were fielding.

In the first inning REP got 7 home runs and we got two.

In the first few innings we only got 3 home runs.

We were running out of confidence as we went out to field, but all hope was not lost as Afreen and I made sure that no one went past first base and soon we had got three people out so it was sideaway.

It was the 5th inning and Mia was no longer playing the game.

We were batting. We got many home runs and soon we caught up to REP.

We were on a roll. We finished our batting order and it was a "side away".

In the next innings we had a bit more of a struggle but eventually we got three people out and it was "side away". We were so glad we weren't losing any more.

As fast as lightning it was the end of the game. Both the teams lined up and the scores were read out. REP 7 RPS 18! We had won!

Every one of the girls playing for REP were really nice and we are very excited to play against William Ruthven today.

Football

3rd June – vs Reservoir East by Leo K

On the bus there was a lot of commotion about who was going to win.

We walked onto the oval feeling worried because last year Reservoir East won against us.

We walked up to the oval and the first quarter began.

Reservoir East kicked loads of points but no goals. Zero to us.

The second quarter came quickly and we scored a goal.

We were all really happy but they were still in the lead.

We came back into the middle for the ruck and they got a good tap off.

It went straight back to their half but we had good mids that got there first and did some awesome tackling and got it back to our end.

Half time came and the score was close!

In the third quarter the ball was up and down the oval.

We scored a goal and a few points so now we were in the lead.

We got the ball back and booted it down to our forward line, it was scrambled around for a bit and then we scored a goal.

We all ran in to celebrate the goal but then we ran in quickly because we had to get back to our positions.

The last quarter was tense, but we managed to push it through and get a goal in the final 3 seconds. We won. The score was Reservoir East 24 and Reservoir Primary 34.

Today is our last game against William Ruthven, we hope we can finish the season with a win.

PREP SCIENCE

plastic	rubber	fabric	wood	metal	stone

We have been learning about the different materials that objects are made from.

PREP SCIENCE

plastic	rubber	fabric	wood	metal	stone

We had to choose something from our 'feely' box and use lots of describing words to describe the object to our friends.
