

RESERVOIR PRIMARY SCHOOL

NEWSLETTER No. 8 15th August 2022

Can you believe we are now half way through this term. The time just seems to fly by. Classrooms are busy learning and buzzing about some of the terrific activities taking place. The Junior classes are just loving their gymnastics lessons in our wonderful space – gym. Likewise, senior classes are having great fun and learning experiences at the fully equipped gym at South Morang.

Our Prep Transition program continues.

If you would like your pre-school child to take part, you can book online on our website. We have extended these sessions until the end of this term.

Assembly

If you haven't caught up on an assembly lately, you are most welcome to join us on Friday mornings. Group 10 presented a creative version of the water cycle involving music, movement, dance and interpretations:

Years 1 and 2 Groups 3 and 4

Our focus for writing is **Procedural text**. A procedural text tells you how to do or make something using step by step instructions or directions.

The type of procedural texts can vary from recipes, craft, rules of games, a science experiment or safety procedures. Our students are always excited to share how to do something that they are good at, that they enjoy or something that they just learned.

Perhaps you can make this simple Playdough recipe that we did at school, but in the comfort of your own home.
Thank you.
Penny Grebevski and Maria Mirasgentis

Playdough Recipe

- 3 cups plain flour
- 4 tbs Cream of Tartar
- 1 cup of salt
- 2 cups of hot water
- 2 tbs Baby oil
- A few drops of food colouring

1. Ask a grown up to help you make this recipe.
2. Add all ingredients together in a mixing bowl!
3. Stir the mixture until a thick consistency and then begin to knead the mixture until you form a dough.
5. Your dough is ready for you to play with. Have fun!

*It's great fun making the playdough,
but even more fun creating creatures, food (not to eat) and other models.
Group 3 and 4 highly recommend it!*
