

# Reservoir Primary School Prep Transition 2022

**As part of our Prep Transition program, Reservoir Primary School is excited to welcome parents and prospective Prep students to attend weekly one hour transition sessions.**

**During these sessions, your child will be immersed in one of our Prep classes, working and playing alongside our current Prep students.**

**We will begin each session with a story. Then will we complete a craft based on the story we read together. Children will then have some time to explore our Investigations area, where we focus on play-based learning.**

**Parents are welcome to stay and interact during the session or you can arrange to have a tour of the school.**

**To book a date and time that best suits you, please scan the QR code and head to the 'Book A Tour' tab on our website. Alternatively, you can go to our school website using the following link:**

**<https://reservoirps.vic.edu.au/>**

**We are so looking forward to meeting you and your child!**
