

MOBILE PHONES – STUDENT USE

PURPOSE

To explain to our school community the Department’s and Reservoir Primary School policy requirements and expectations relating to students using mobile phones during school hours.

SCOPE

This policy applies to:

All students at Reservoir Primary School

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

“For the purpose of this policy, “mobile phone” refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.”

POLICY

Reservoir Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Reservoir Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours. If a student brings a mobile device to school, they must bring it to the office and sign it in – then collect it at the close of the school day.
- When emergencies occur, parents or carers should reach their child by calling the school’s office.

Personal mobile phone use

In accordance with the Department’s [Mobile Phones – Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Reservoir Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Secure storage

Mobile phones owned by students at Reservoir Primary School are considered valuable items and are brought to school at the owner’s (student’s or parent/carer’s) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so.

Please note that Reservoir Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Reservoir Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so.

At Reservoir Primary School students are required to store their phones at the office. Administration staff will supervise the signing in and signing out of mobile phones.

Enforcement

Students who use their personal mobile phones inappropriately at Reservoir Primary School may be issued with consequences consistent with our school's existing student engagement policies; e.g. *Student Wellbeing and Engagement* and/or *Code of Conduct* or *Bullying* policies.]

At Reservoir Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to capture video or images of people, including students, teachers and members of the school community without their permission

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically,
 - Health and wellbeing-related exceptions; and
 - Exceptions related to managing risk when students are offsite.
- can be granted by the Principal, or by the teacher for that class, in accordance with the Department's [Mobile Phones — Student Use Policy](#).
